App Store   Google Play

How to use

① Registration

(1) Open COGICOGI app and tap the "Register & Rent" button on home screen. Enter your information such as e-mail address.

(2) After registration, go back to home screen and tap the "Purchase" button to choose your plan.

(3) Available tickets will appear on the screen, so please choose the ticket you like and enter your credit card information.

(4) Once you have entered your credit card information, purchase will be available.

(1)Register	(2) Buy	(3)Choose the plan	(4)Enter the credit card info.

② Rent a bicycle

(1) By the bicycle at the port, tap "Rent" button. In 10 seconds, the app will show the list of available bicycles.

(2) Choose a bicycle you want to use and place your smartphone close to the lock of the bicycle. Select the number of the bicycle on the app.

(3) Wait for the click sound and the light to flash. Turn the lock clockwise within 7 seconds to unlock the bicycle.

(4) After confirming the message of "ENJOY!", you can close the app. This message is the sign that you successfully rent a bike.

(2)Tap the number of the bicycle	(3) Turn this clockwise	(4)You can ride!

③ Return to port

(1) Park your bicycle within the area of the COGICOGI port. Lock the bicycle by hand.
(Move the lever downwards while pressing the orange button.)

(2) Make sure the lever turns back vertical and then place your smartphone closer to the lock.

(3) Tap the "Return" button on the home screen.

(4) When the message, "Have a nice day!" appears, it is the sign that you have successfully returned the bicycle.

(1)Tap the orange part of the lever	(2)Check it vertical	(3) "Return"	(4)Successfully returned

④ If you want to stop - by somewhere

(1) When you stop by somewhere, you must lock the bicycle even when you are not at the port. You can lock bicycle by just pulling down the lever.

(2) When you want to unlock it again, bring your smart phone to the lock and tap "Unlock" on the app.

(3) After the click sound, turn it clockwise to unlock the bicycle.

(1)Tap the orange part of the lever	(2)"To unlock" and open it	(3) Turn this clockwise
